### PRESENTATION OF AWARDS

We warmly welcome Mr Harvey Munn today as guest of Madras College to present the trophies and awards.

Harvey is no stranger to Sports Day nor Madras College where he spent the ast majority of his teaching career in the Physical Education department and latterly in Guidance. Harvey started here in 1979 in the days of perms and short, short football shorts but after one year took up a post in Inverkeithing High School. He returned shortly after in 1981 where he remained up until his retiral on 1<sup>st</sup> July 2016.

Harvey dedicated thousands of hours on extra-curricular activities engaging pupils in football, cross-country and athletics. His proudest moment was his under 15 squad lifting the Scottish Cup in 1996, although being an inspiration to athletes Andrew Lemoncello and Willie Kay stand high in his list of achievements. Harvey has clocked up countless miles transporting hundreds of pupils to Irvine for Cross-Country Championships, football teams to all parts of the country and latterly drove the minibus for netball where he even managed a temporary stay on a driveway in Tayport.

Harvey easily fills his free time now with his golf, foreign holidays and spending time with his two lovely granddaughters.

We are delighted that Harvey accepted our invitation to present the medals and trophies and we hope he will enjoy the afternoon's sporting competition as well as meeting the staff and pupils of Madras College again.

Remember to stop him for a quick chat if you want a medical update or want to reference who scored the winning goal in the first round of the Scottish Schools Football cup in 1987!
